Philip A. Connelly Awards Program

Born in Framingham, Massachusetts in June 1907, Philip A. Connelly became a leader in his chosen profession-Food Service Management. He worked diligently and earnestly throughout his life to promote professionalism in food service, in both the civilian industry and military services. As a result of his dedicated purpose and positive influence, civilian and military food service programs are more closely aligned and personnel in these programs now have uniform goals in education training, career development and job opportunities.

Program Objectives

- Promote Army food service through incentives, competition and media attention
- Recognize deserving units for superb performance
- Award individuals for stellar management practices
- Honor the traditions of the Philip A. Connelly Awards Program
- Provide innovative training that has a sustainable impact on current and future missions in garrison and field environments
